

FADE IN:

1. EXT. UNDERWATER CITY - NIGHT

The city is dark, and no one can be seen on the street.

FISH is casually walking through the alleyway with PSA posters banning caviar plastered on the walls. FISH shuffles in pocket and takes out a black and white photo of a shady store.

2. EXT. STORE'S MAIN ENTRANCE - NIGHT

FISH finds the matching store, which is shadowy and lit by some jellyfish lamps.

3. INT. STORE - NIGHT

FISH enters the store. DEALER is a giant shark. DEALER glares. FISH walks up to the counter and gestures at the caviar.

Caviar tin sparkles.

A sign hangs below saying "100 SHELLS". FISH opens its wallet and empties it out, it only has 3 shells.

FISH smiles awkwardly. DEALER narrows eyes.

4. EXT. BACKWAY OF THE STORE - NIGHT

Suddenly. BAM. FISH is tossed out of frame.

5. INT. STORE - NIGHT

The clock on the wall ticks. DEALER is slumped over, asleep. FISH peeks out, then pulls out a makeshift fishing rod: a magnet tied to a stick with some ropes. It tosses the hook, CLINK. It latches onto the shelf. FISH tugs.

The caviar tin slides slowly toward it. CRASH

The magnet knocks over glass cup. DEALER's eyes snap open. FISH gasps, frozen.

6. EXT. BLACK MARKET - NIGHT

FISH is thrown out, tangled in its own rope, landing on a dumpster with worn-out clothes next to FISH.

The camera zooms out, changing focus from FISH to the pebbles and a paint can on the ground.

7. INT. STORE - NIGHT

FISH arrives in a fancy dress, high heels, glasses and a wig, FISH strikes a pose.

FISH slides a heavy pouch of "shells" onto the counter.

DEALER takes the pouch and starts counting.

FISH stands stiff and starts sweating. FISH adjusts fake boobs in anticipation.

FISH's eyes wide opened as the "shells" get measured, FISH adjusts heels in anticipation

The final "shell" is measured as the scale tips down. DEALER grabs caviar tin from shelf. DEALER hands over the caviar tin. FISH reaches out, fake boobs turn out to be stuffed in pufferfish. Pufferfish gets squished too hard and explodes, flying out. FISH's wig also falls off. Some pebbles fall to the ground. One of those is HALF-PAINTED.

FISH is shocked. DEALER squints, eyes widen. DEALER snarls.

FISH grabs the caviar and zooms off. DEALER gives chase.

FISH darts through a tiny tunnel, only small enough for him to slide through. Bumps and clanks echo inside.

8. EXT. DUMP PIPE - NIGHT

FISH tumbles out, bruised and dizzy, still holding the caviar.

It opens the tin with glee. Tiny baby fish float out and swim away. The eggs hatched. FISH gasps.

Flashing lights appear directly on FISH. POLICE arrive at the scene.
