Professional Summary

2D Illustrator and Graphic Designer specializing in Brand Identity and Key Visual design across Digital and Social media. Promoted to an Executive Design role within 3 months of an internship at Millford Vietnam for consistently delivering on-brand omnichannel campaigns; Illustrated a published 3-part children's book series for an environmental non-profit project. Seeking a Design Internship where I can bring the same creative range and reliability to brand and illustration work.

Skills

Design & Illustration

Adobe Illustrator, Photoshop, InDesign, Procreate, Figma, Basic Frame-by-Frame Animation

Motion & Video

After Effects, DaVinci Resolve, TouchDesigner, Stop Motion (Animation Shooting & Dragonframe)

Code & Interactive

HTML/CSS, JavaScript, Python, p5.js (coding with AI assistance), Arduino (Physical Computing for Interactive Projects), Visual Studio Code

Audio

Audacity (Sound Design), basic audio recording skills

Hand-Crafting

Traditional Painting (Gouache, Oil Painting, Acrylic, Oil Pastel, Silk Painting), Props Making

Soft Skills

Client Communication, Cross-Disciplinary Adaptability, Time Management, Collaboration & Brand Consistency, Creative Problem-Solving, Conceptual Storytelling

Work Experience

Junior Graphic Designer | 5/2025- 10/2025

[Millford Vietnam and Global Design team](#)

- Participated in brainstorming the project's key visuals.
- Applied and ensured a consistent key visual and brand identity throughout all designs.
- Designed product posters across the brand's omnichannel platforms (Shopee, Lazada, Amazon).
- Designed static posters, illustrations, and motion graphics for social media posts.
- Applied basic 3D skills in Blender for packaging mockups and product advertising.
- Got promoted to an executive role after a 3-month full-time internship.

Tattoo Artist | 7/2022 - current

[Pun Piec Poke Tattoo Service](#)

- Illustrated new designs, tattooing, marketing, customer consultations, scheduling tattoo appointments, and providing customer support.

Freelance Graphic Designer & Illustrator | 2023 - current

- Illustrated assets and layouts for a series of 3 children's books - [Anh Hung Rua Xanh](#) (a non-profit organization to raise awareness on environmental protection).
 - Illustrated a set of stamps (Vung Tau-related elements) and a comic page advertising the brand's products. ([Sirené - a leather journal brand](#)).
 - Drew and sold traditional paintings as home decoration.
 - Storyboarding for [CAKE TVC](#). Outsourced work for CAKE-Digital Bank.
-

Academic Projects

[The Glass Essay](#) | Interactive Web Experience, RMIT

- Designed and coded an interactive website interpreting Anne Carson's poem "The Glass Essay," combining hand-drawn illustration, animation, and code.
- Created original artwork and animated key scenes to interpret the poem's narrative and emotional tone visually.
- Built the interactive experience using HTML/CSS and JavaScript, leveraging AI tools to support development.

[The Silent War](#) | Interactive Experience, RMIT

- Designed and built an interactive commentary on forced military conscription.
- Used an experimental visual style and mini shooting-game mechanics to immerse users in the soldier's forced experience and provoke reflection on the destruction of war.
- Combined coding with interactive design to let players engage directly with the narrative through gameplay.
- Built the interactive experience using HTML/CSS and JavaScript, p5js incorporating AI-assisted development to accelerate coding.

ORGAN(IC) | Interactive Installation, RMIT - (In Progress)

- Designing and building an immersive interactive installation exploring the biological parallels between humans and nature (flowers, plants) through physical computing and real-time visuals.
- Combining physical sensor tracking, TouchDesigner, and 3D compositing to create a responsive, embodied experience for exhibition visitors.
- Integrating coding, sensor input, and generative visuals to translate biological/botanical themes into an interactive spatial experience.
- Expected completion date: 17th September 2026.

[Bromance](#) | Stop Motion Film, RMIT

- Animator of a 20-second stop-motion short film about the friendship between two guys, which was strengthened through an embarrassing incident.
 - Handled prop making and physical set design, shooting frame-by-frame using Dragonframe.
 - Sound design with Audacity. Edited in After Effects.
-
